

ACTIVISM TIC TAC TOE

Start in the middle by picking and researching an issue or cause. Then complete two other activities to make a Tic Tac Toe vertically, horizontally, or diagonally. The descriptions contain links for more information.

Write a Letter

Write a letter to an editor or a company CEO about expressing your concerns related to your issue or cause.

Make a Video

Make a video that will help others gain awareness about your issue or cause. You can use Adobe Spark, WeVideo, Animoto, or iMovie.

Google

Use Social Media

Follow hashtags related to your cause. Create posts about your cause. Encourage friends and family to join you.

Make a Poster

Get a piece of poster board, pencils, and markers. Make a poster like one you might take to a rally or hang up a school.

Choose a Cause or Issue

You might already have something in mind. If not, explore the United Nations' Sustainable Development Goals.

Make a Website

Make a website. Include research you find online such as images, videos, facts, infographics, statistics. Google Site is a good option for this.

Write & Illustrate a Children's Book

Write and illustrate a children's book about your cause; one a child would understand.

Create a Game

Make a board game like Go Goals!
or
Make a video game using Scratch

Write & Record a Song or Spoken Word Poetry

Write and record spoken word poetry about your cause. Post on Youtube or another social media site.
